Company Overview:

Absolute Information Technologies Inc. (AIT) is a strategic consulting, staffing and technology services company headquartered in Princeton, New Jersey. We mobilize the right people, skills and technologies to help organizations improve their business performance. We provide key staff to employers allowing them to meet diversity goals and to promote equal opportunity in employment.

As a Minority Business Enterprise (MBE) with aspiration to be an SBA 8(a) and Women Owned certifications, AIT is committed to creating innovative, flexible solutions for government and commercial clients.

Core Capabilities:

We specialize in designing and delivering premium services for organizations in the following areas:

- ❖ **IT Services:** Custom Software Development, Database Design, Development and Administration, Big Data and Business Intelligence, Artificial Intelligence (AI), Machine Learning, DevOps, Content Management and Website Development, Mobile Application Design and Development, Cloud Computing, Internet of Things (IoT), Open Source Expertise, Payment Gateways, Video Application Development, Software Maintenance and Support, , CRM. Scalable Architecture, Health IT, Program & Project Mgmt
- ❖ **Management Consulting:** Assessment, Process Improvements, Project Management, QA Audit
- ❖ **IT Staffing:** Highly Qualified Specialists for internal/ client onsite projects.

Key Differentiators:

- ☑ Our People. We have had zero employee turnover within the past 13 years.
- ☑ Certified Staff. PMP, CSM & MCSA Certified. We have experienced, vendor-certified consultants with functional and technical expertise. Our people are consistently rated above industry standards in client evaluations.
- ☑ Customized Solutions. We work side-by-side with you to develop a customized package that aligns to your overall need.
- ☑ Repeat Clientele: Due to high quality work, 90% of our revenue has been from repeat business.
- ☑ Regional coverage, local expertise. Multi-lingual. We have a local understanding allowing us to cater to diverse linguistic and cultural needs. We have the capability to conduct interactions in major languages including Spanish & Korean and to support persons with disabilities.

Past Performances:

- ☑ Provided Quality Assurance and Audit services for SDLC for Johnson and Johnson system replatforming implementation
- ☑ Provided Strategic Regulatory Consulting services to Johnson and Johnson Label Tracking
- ☑ Provided Qualified Personnel to MEDCO for a large project (30 Million) to meet aggressive ramp-up
